No. 2 Registration and conclusion of contract

- 2.1 BISS registrations can be carried out in writing by registration form or e-mail. By registering, the participant registers bindingly for the selected event and for the specified conditions. With the sent registration, the respective conditions of participation as well as the General Conditions of Participation are accepted. The participant agrees to the purpose-related collection, processing and use of the data provided by him or her. The required documents / evidence are to be enclosed.

The BISS may withdraw the confirmation of registration if it subsequently transpires that the requirements were not met or if the confirmation of registration was brought about by fraudulent deception, coercion or bribery. In the event of withdrawal or revocation of the confirmation of registration by BISS, there shall be no entitlement to reimbursement of fees paid. If BISS incurs additional costs due to the withdrawal or revocation of the confirmation of registration, these are to be borne by the participant.
